

Winter Clothing Drive

October 30 - November 10

As the weather turns colder, consider supporting those in need by donating to the Regions Hospital Patient Resource Room!

We are collecting winter gear for adults in new or gently used condition, including:

- *Gloves and mittens*
- *Winter scarves*
- *Winter hats*
- *Warm socks (new only)*
- *Practical, closed-toe shoes*
- *Winter boots*
- *Winter jackets and coats*

Thank you for supporting our community!
